sure all
required
medical forms
are turned in.*

New Field
School

773-534-2760

Welcome New Field Families! We are thrilled to be your Kindergarten teachers for this school year at New Field. Our year will be filled with learning, discovery, and fun! Our team strives to make an inclusive environment where each student feels a sense of belonging and excitement when they come to school each day. In September, students are building routines, becoming good listeners, and learning school wide expectations. The theme this month is KINDNESS.

Emergency Drills

We will be conducting the first round of our emergency drills during the months of September and October. Please tell your kindergarten that these drills are just for practice!

Fire Drills- leaving the school building, in case of a fire.

Lockdown- students remain inside the classroom, away from windows and doors.

Shelter-in-Place- students cover head and keep a crouching position to protect their bodies.

"All Clear"- an announcement conducted after conditions are no longer unsafe.

Essential Teachers

At New Field, we are so lucky to have a great team of Essential Teachers who teach art, technology, music, gym, and library. We rotate the order of essential classes each quarter. Library is taught by our essential teachers on a rotating, quarterly basis.

Ms. Andes- Art

Mr. Mac-Tech

Mr. Dusel- Music

Mr. Kolari-Gym
