Election Day**

Kindergarten Content

In reading, we continue to work on learning letters and sounds: a, g, d, s, e, r, p, & j. Sight words for the month of October include: the, my, see, like, & she/he/we. During small reading groups we will begin to learn beginning reading behaviors. In math, we are reinforcing the writing of numbers and counting with one to one correspondence with a focus on the numbers 9-14. In writing, we continue to work on drawing, labeling, and adding details.

October Celebration News: Halloween

Students are welcome to wear costumes to school on Halloween (Friday, October 31st). Your child can also choose wear pajamas that day instead of a costume.

****Students may bring healthy snacks (no candy); please ask your teacher or request a healthy snack list from the office. ****

Parent Tip of the Month

Review your child's progress report and test of kindergarten foundational skills. Practice letters, sounds, random numbers, and verbal counting with your child at home.

We encourage you to read to your child for at least 10-15 minutes each day.
