

Room 105 News

December 2018

Looking Ahead

Room 105 will begin December with an integrative unit based on the story, *The Gingerbread Boy*. We will be reading and sequencing the events in the story; please go to the library with your child this week to choose a Gingerbread story that your child enjoys!

In this unit, students will work on mastering their IEP goals using Gingerbread Man materials. We will practice counting, matching number symbols to the quantity counted (1-10), tracing (uppercase) letters of the alphabet, identifying letters, sorting size, sequencing story events, and even following a recipe to make our own gingerbread cookies!

Our weekly social skills lessons this month will include brushing my teeth, wiping my nose, and preparing for winter break.
