FINANCIAL AID

At the Y, we firmly believe that everyone should have the opportunity to participate in our programs, services, and offerings, including Day Camp, regardless of their ability to pay. The Child Care Assistance Program (CCAP) is an Illinois child care subsidy program that offers financial assistance to income-eligible families with youth under the age of 13. CCAP helps parents pay for child care while they work, get job training, or continue their education. For more information on financial aid, please visit ymcachicago.org/daycamp.

ACCREDITATION

The American Camping Association (ACA) is an organization with members in all 50 states that accredits all types of organized camps. Camps are accredited based on the administration, policies, and camp operation — particularly those related to program practices and quality along with health and safety of campers and staff.

The standards establish guidelines for needed policies, procedures, and practices. The Y Day Camp staff is committed to providing a camp program that meets the highest standards established for the camping industry.
